CE UK DOED10R - 0119 GB-CBR-008-1 (0119)

Manufacturing date and batch N° : *See on packaging*

Net content: **10L** (2.64 Gallon) - Net weight: 10.84 Kg

# DOUBLE EDGE™

Growth stimulant with seaweed filtrate and vegetable amino acids

## CROP RECOMMENDATIONS

Crop	Dose	Application stage
Amenity turf	1 L/ha	Apply every 14 days from spring onwards

### Directions for use:

Shake well before use.  
Pour DOUBLE EDGE last in the tank.

### Compatibility:

DOUBLE EDGE is compatible with most usual fungicides and insecticides, but it is not recommended to be mixed with herbicides. Before using a tank mixture, always consult and comply with the recommendations of the partner product.

### Safety precautions:

Do not eat, drink or smoke during use.  
Wash hands and other exposed areas with mild soap and water before eating, drinking or smoking and when leaving work.  
Provide good ventilation in process area to prevent formation of vapour.

### Storage:

Keep only in the original container in a cool, well ventilated place away from sources of ignition or direct sunlight.  
Keep container tightly closed.

### Disposal:

EMPTY CONTAINER COMPLETELY and dispose of safely.  
Dispose in a safe manner in accordance with local/national regulations.  
Dispose of contents/container to hazardous or special waste collection point, in accordance with local, regional and national regulation.  
Avoid release to the environment.

### Conditions of sale – limited warranty and limitations of liability:

GOËMAR warrants that the product within the unopened container conforms to the chemical description on this label. The directions on this label must be followed carefully and are based on tests, believed to be reliable. As the occurrence of unusual weather or soil conditions, and the use of this product, are all beyond the control of the manufacturer, no guarantee, expressed or implied, is made as to the effects of such use or the results obtained, and in no event, shall the liability of GOËMAR exceed the price of the product used. The purchaser must assume all risks of storage, use or application of this product. Goods are sold subject to the standard Conditions of Sale of the manufacturer, available on request. Use of the product implies that the purchaser accepts these Conditions of Sale.
